

# Class norms (Section 101)

On the first day of class, we agreed that we should all...

- Actually show up and participate
- Communicate well
- Be flexible
- Be prepared for class
- Be helpful
- Be respectful of each other
- Hold each other accountable
- Do our best
- Meet outside of class when needed
- Ask questions
- Do what is necessary

Which of these has your team done well? Which of these does your team need to work at?

## Class norms (Section 102)

On the first day of class, we agreed that we should all...

- Be considerate and respectful of each other
- Participate
- Be punctual
- Have a good work ethic
- Be willing to help
- Be willing to speak up
- Be patient
- Be quiet when needed
- Attack problems, not people

Which of these has your team done well? Which of these does your team need to work at?

## Class norms (Section 103)

On the first day of class, we agreed that we should all...

- Be patient
- Pace ourselves
- Be mindful of each other
- Be civil
- Contribute equal shares
- Attend class
- Be prepared for class
- Not be afraid to make mistakes (and not judge others' mistakes)
- Be accountable
- Help keep each other afloat

Which of these has your team done well? Which of these does your team need to work at?

# Team assets

Look over the list of assets your team compiled on the first day of class.

# Team assets

Look over the list of assets your team compiled on the first day of class.

For each team member, list one more asset. How has each team member helped the team so far this semester?

# Team assets

Look over the list of assets your team compiled on the first day of class.

For each team member, list one more asset. How has each team member helped the team so far this semester?

You previously listed an area of improvement for each team member. Discuss how each of you is progressing in that area.
